INDEPENDENT AUDITORS' REPORT

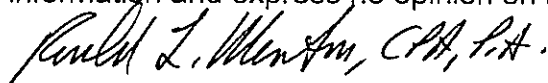

Board of Directors
Windjammer Condominium Association of
Lauderdale-By-The-Sea, Florida, Inc.
Lauderdale-By-The-Sea, Florida

I have audited the accompanying balance sheet of Windjammer Condominium Association of Lauderdale-By-The-Sea, Florida, Inc. a Florida not-for-profit corporation, as of December 31, 2009, and the related statements of revenues, expenses and changes in fund balances (deficit) and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Windjammer Condominium Association of Lauderdale-By-The-Sea, Florida, Inc. as of December 31, 2009, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The supplementary information on future major repairs and replacements on page 12 is not a required part of the basic financial statements of Windjammer Condominium Association of Lauderdale-By-The-Sea, Florida, Inc. but is supplementary information required by the American Institute of Certified Public Accountants. I have applied certain limited procedures, which consisted principally of inquires of management regarding the methods of measurement and presentation of the supplemental information. However, I did not audit the information and express no opinion on it.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Windjammer Condominium Association of Lauderdale-By-The-Sea, Florida, Inc., (the Association) was organized, pursuant to the Condominium Act of the State of Florida, as a Florida corporation, not-for-profit, for the purpose of administering the preservation, maintenance and operation of an interval ownership complex known as The Windjammer located at 4240 and 4244 El Mar Drive, Lauderdale-By-The-Sea, Florida.

Phase I was completed in 1981 and consists of 18 units. Phase II was completed in 1983 and consists of 15 units. Each unit has 50 weeks available for ownership.

CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, the Association considers demand deposit accounts, savings accounts and certificates of deposit, with maturities of less than three months, to be cash equivalents.

LAND, LAND IMPROVEMENTS AND BUILDINGS

The values of common areas are not reflected in these financial statements since title to these properties is vested with individual unit-week owners on a pro-rata basis and not with the association.

EQUIPMENT AND FURNITURE

The equipment and furniture has been capitalized and is being depreciated on a straight-line basis over the estimated useful lives of the related items.

FUND ACCOUNTING

The Association uses fund accounting, which requires that funds, such as operating funds and funds designated for capital replacements and deferred maintenance, be classified separately for accounting and reporting purposes. Disbursements from the operating fund are generally at the discretion of the Board of Directors. Disbursements from the replacement and tax funds may be made only for their designated purposes.

LAUDERDALE-BY-THE-SEA, FLORIDA, INC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

REVENUE RECOGNITION

Regular maintenance and special assessments from unit owners are recorded on the accrual basis. Accordingly, assessments uncollected at the year-end are treated as assessments receivable and any amounts paid by unit-week owners for the following year are treated as assessments received in advance.

INCOME TAXES

The Association is subject to Federal and state taxation and has essentially two methods to determine the amount of tax, if any, it must pay. Under one method, the excess of revenues from members over related expenditures is subject to taxation unless such excess is returned to the unit owners or applied to the following year's assessments. The other method enables the Association to elect to exclude from taxation "exempt function income" which generally consists of revenue from unit owner assessments. Under either method, the Association may be subject to tax on investment income and other non-exempt income, but at different tax rates. For the year ended December 31, 2009 the Association elected to file a Form 1120H, resulting in no tax liability.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

COMPREHENSIVE INCOME

ASC 220 (formerly SFAS No. 130) requires "a full set of general-purpose financial statements to be expanded to include the reporting of comprehensive income." Comprehensive income is comprised of two components, net income and other comprehensive income. For the year ended December 31, 2009, there were no items that qualify as other comprehensive income.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Association's financial instruments, which include cash and cash equivalents, accounts receivable, accounts payable and accrued expenses approximate their fair values due to their short-term maturities.

SUBSEQUENT EVENTS

Management of the Association has evaluated subsequent events through June 30, 2010, the date the financial statements were available to be issued.

NOTE 2 - UNINSURED CASH BALANCES

The Association maintains its cash balances at one financial institution. These accounts are secured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of December 31, 2009, the Association had approximately \$226,000 in excess of the insured limits. The Association has not experienced any losses related to these uninsured balances.

NOTE 3 - MEMBER ASSESSMENTS

Based upon a budget established by the Board of Directors, assessments are levied against the unit-week owners for their proportionate share of common operating expenses and funds for capital replacements and deferred maintenance. Assessments are due on January 1, of each year for all unit-weeks. Special assessments may also be imposed from time to time as deemed appropriate by the Board of Directors. Assessments to unit-week owners in 2009 were \$598.00.

NOTE 4 - SALE OF UNITS

In 2009, the Association sold 12 unit-weeks that it acquired through foreclosure and other collection activity. The revenue of the unit-weeks sold exceeded costs by \$3,643. At December 31, 2009, the Association owned 184 unit-weeks. The Association anticipates additional sales in future years.

WINDJAMMER CONDOMINIUM ASSOCIATION OF
LAUDERDALE-BY-THE-SEA, FLORIDA, INC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 5 - ASSESSMENTS RECEIVABLE

The Association's policy is to retain legal counsel and place liens on the residences of unit-week owners whose assessments are delinquent. As of December 31, 2009, the Association had assessments receivable in the amount of \$23,690 of which \$12,100 were considered potentially uncollectible by management.

NOTE 6 - EQUIPMENT AND FURNITURE

Equipment and furniture was recorded at cost with depreciation calculated on the straight-line method over the estimated useful lives of the related assets. Equipment and furniture consisted of the following classifications at December 31, 2009.

	<u>Cost</u>	<u>Life</u>
Office furniture	\$ 1,706	5 years
Computers	5,013	5 years
Telephone system	<u>15,880</u>	7 years
	22,599	
Less: accumulated depreciation	<u>(22,267)</u>	
	<u>\$ 332</u>	

NOTE 7 - INVESTMENT IN UNITS

The Association has capitalized the legal costs associated with the foreclosure of units-weeks that it owned. These costs are allocated to the sale of units in the year the sales occur. (See Note 4)

NOTE 8 - TAX FUND

The Association collects the individual unit week owners' property taxes and pays the total tax bill to the county on their behalf. The amount of \$29,000 recorded as assessments received in advance in the tax fund as of December 31, 2009, represents the 2010 taxes collected prior to the end of the year. These funds are in the Association's operating account and will be transferred to the proper escrow account in November when the taxes are paid. As of December 31, 2009 the Association has paid all ad valorem taxes in full to the tax collector from the tax escrow account.

WINDJAMMER CONDOMINIUM ASSOCIATION OF
LAUDERDALE-BY-THE-SEA, FLORIDA, INC.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 9 - MANAGEMENT AGREEMENT

The Association has a management contract with Gulf Eastern Property Management, Inc. through April 30, 2013. Fees for 2009 aggregated \$59,676.

NOTE 10 - FUTURE MAJOR REPAIRS AND REPLACEMENTS

The Association's 2009 budget provided for reserve assessments for replacement and deferred maintenance aggregating \$149,790. Under Chapter 718.112 of the Florida Statutes, these reserves are for, but not limited to, roof replacement, building painting and pavement resurfacing. The Association funded the reserves in 2009 in accordance with its budget. Also in 2009 the Association transferred \$10,000 from the operating fund to the replacement fund and reallocated funds between components of the replacement fund. The Association's policy is to transfer interest earned on the reserve cash accounts to the furniture and fixtures reserve line item.

The following is an analysis of the components of the replacement fund for the year ended December 31, 2009:

	Balance 12/31/08	Additions	Fund Transfers	Expenses	Balance 12/31/09

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2009

NOTE 10 - FUTURE MAJOR REPAIRS AND REPLACEMENTS (Continued)

An independent study to determine the adequacy of the current funding program for the replacement and deferred maintenance of Association common areas has not been conducted. In 2009, the Board of Directors estimated the remaining useful lives and the replacement costs of common property. Funds are being accumulated in the replacement fund based on these estimates. Actual expenditures may vary from the estimated future expenditures, and the variation may be material. Accordingly, the current program may or may not be sufficient to meet all future costs. When funds are needed, the Association has the right to increase the assessments, pass special assessments, or delay replacement in certain cases until funds are available. The table included in unaudited supplementary information on future major repairs and replacements is based on these estimates.

NOTE 11 - COMMITMENTS AND CONTINGENCIES

A number of unit-week owners have not paid their annual assessments to the Association. The Association has begun collection activity. The Board of Directors believes that upon resolution of the above action, the Association will be able to receive a majority of the outstanding receivables through its own foreclosure and rental fees.

Lauderdale-By-The-Sea, Florida

My report on my audit of the basic financial statements of Windjammer Condominium Association of Lauderdale-By-The-Sea, Florida, Inc. for the year ended December 31, 2009, appears elsewhere. That audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedules of expenses and operating fund variances are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
